PRIVATE AFFILIATED COLLEGES - URGENT
UG ONLINE ADMISSIONS - 2016-2017

All the Principals of Private Affiliated Colleges are informed that please add "2" before your College Code. For example, if your College Code is 130, your user ID becomes 2130. The Password is: cce@2016 (Common to all the Colleges). You have to visit the Website of Commissionerate of College Education at ccets.cgg.gov.in and after the login, upload all the required data of your college. This may please be treated as **urgent**. However, the list of Colleges ids and passwords is placed in KU Website.
