Dear Secretary,

**The Association of Commonwealth Universities HR in HE Community Conference –
Universities of the Future: Global Perspectives for HR**

You may be aware that the ACU HR in HE Community is holding its 8th biennial conference on 23-26 September at the University of Waterloo in Canada.

As a member of the ACU HR in HE Community Steering Committee and a speaker at the conference, Dr Pankaj Mittal has advised me to contact you to request for you to upload our conference onto the University Grants Commission website. We would like to ensure that Indian universities are aware of this enriching opportunity and that there is an Indian presence at the conference.

Under the theme of *Universities of the Future: Global Perspectives for HR*, our international conference will explore current and future challenges and opportunities for HR in higher education. Open to ACU and non-ACU members alike, this is a unique opportunity to share good practice, exchange ideas, stay on top of current trends, network with peers working in HR from across the Commonwealth, and gain new knowledge and insights.

For more information on the conference, please visit: <https://www.acu.ac.uk/events/canada-2018/>

Please confirm if you would be able to upload our conference onto your website and any information you will need from us by emailing the ACU's Member Engagement Coordinator, Georgina Nicoli, at georgina.nicoli@acu.ac.uk

Many thanks for considering our request. We look forward to hearing from you.

Yours sincerely,

Tarrance Ryder-Downes
Head of HR
