KAKATIYA UNIVERSITY

Sir/Madam,

Sub: KAKATIYA UNIVERSITY - ACADEMIC AUDIT - Pro-active and intervention strategy against Drugs abuse - Organizing of orientation programs, parents meetings and talks by officials of Police & Public administration Departments - Reg.

~!~

The youth are becoming highly dependent on drugs and substances which are not only ruining their academic careers but it is a financial burden to their families. Hence, the UGC issued a circular suggesting steps to tackle the problem of sale of drugs to college children.

In this connection, the Principals are requested to make students aware of the ill-effects of drug addiction by organizing orientation programs, parent teacher meetings, talks by officials of Police, other administrative officers, experts and informative audio & video lectures.

It is a moral duty of the educational institutions to make students aware of the ill-effects of the drug addiction.

In view of the above, you are requested to constitute committees by involving students and faculty to take proactive steps not only to make students live a healthy life but also stay away from addiction and the same may be forwarded to the University email id i.e., deanaaku16@gmail.com.

Yours faithfully,

REGISTRAR
